

ANALYST FOR NEWLY RAISED PRIVATE EQUITY FUND IN MUNICH

LMP Partners is a well-established Munich investment group with a successful investment track record, including buyouts, growth capital and venture capital in the small cap ICT space. LMP is currently raising its first €100M fund available to 3rd party investors. We specialize in the development of innovative and highly growing companies active in IT, Industry 4.0 and B2B-Software. Our enthusiasm, experience and hands on approach combined with the necessary financial resources allow us to successfully grow industry leaders. Our management and investment style is characterized by personal dialogue with all relevant stakeholders, an entrepreneurial mind-set as well as high independence and competence of all our team members. We offer one of the industry's most exciting positions if you are interested to be part of a newly raised fund that offers great personal development opportunities and a high exposure to all aspects of the private equity investment process.

Working environment

- » Diverse and challenging tasks with a lot of room for own ideas and independent achievement
- » Above average responsibility and excellent internal development opportunities
- » Entrepreneurial, flexible, open and dynamic team with a strong focus on good working atmosphere
- » Attractive and highly competitive compensation package

Responsibilities

- » You will be working directly with the leadership team and be involved in all aspects of the investment process, with specific responsibility for financial analysis and due diligence
- » You will originate investment opportunities, execute due diligence and be fully involved in the process through closure and post investment monitoring
- » You will be exposed to research and analysis of relevant markets and companies across various sectors
- » Development of financial models and management of the deal process
- » Assisting in the strategic development and the management of the portfolio companies

Your profile

- » You have an excellent academic background from a leading university
- » You have gained relevant initial training and experience in private equity or M&A from a top tier investment bank, consultancy or Big 4 accountancy firm
- » You have very strong analytical and financial modelling skills with great attention to detail
- » You are a highly motivated and reliable team player, ambitious to build a career in private equity and able to think on your feet
- » You must be a self-starter with focused working style and a strength in process management
- » Fluent German and English language skills are a must

Your application

We offer you to join a successful and highly ambitious team that strives to establish LMP and its newly raised fund as a market leader in the small cap ICT space. We look forward to receiving your application including all relevant references. Please send your application to Andrea Luther (andrea.luther@lmp-partners.com).
